AUGUST 2020

From Your Pastor: *"Be Now Our Vision"*

But Peter, standing with the eleven, raised his voice and addressed them, "Men of Judea and all who live in Jerusalem, let this be known to you, and listen to what I say. Indeed, these are not drunk, as you suppose, for it is only nine o'clock in the morning. No, this is what was spoken through the prophet Joel:

*'In the last days it will be, God declares, that **I will pour out my Spirit** upon all flesh, and your sons and your daughters shall **prophesy**, and your young men shall see **visions**, and your old men shall dream **dreams**. Even upon my slaves, both men and women, in those days I will pour out my Spirit; and they shall prophesy. And I will show portents in the heaven above and signs on the earth below, blood, and fire, and smoky mist. The sun shall be turned to darkness and the moon to blood, before the coming of the Lord's great and glorious day. Then everyone who calls on the name of the Lord shall be saved.'* (Acts 2:14-21)

Now as then, God 'pours out the Spirit' in ways we call 'prophesy, dreams or visions.' These may or not be from God, so the one with the vision must compare notes—is the vision they experience shared by other people? If so, what we have is what I call 'church,' a 'community of experience' with a vision for the future. What's your vision? I find it of interest that Peter quoted Joel—the prophet who according to the commentary found in our church Bibles, 'lived in a time of a great locust plague, which he saw as the beginning of the judgment of God.'

We too are in a plague, not of locusts but a virus that eventually will pass and allow us to gather. Once we do, what then? What questions might we answer informed by our 'visions?' Here are three questions from the Rev. Susan Beaumont, a consultant whose purpose helps churches 'see' where God leads:

- 1) What is our greatest asset now?
- 2) What relationships will we need to build on or strengthen in the months ahead?
- 3) What unique role might our congregation play in local, national, and even global recovery?

I'm in process of sharing my answers to these questions that I hope will encourage our church to do likewise. We have some great assets in addition to our building, notably our staff and the Gingerbread Preschool. We have relationships to build on including the Watertown Community Schools, Community Health Foundation, Community Action Coalition, Jefferson County Social Services and the Rock River Community Clinic. Working with these and others can help us 'see' all the needs with the role we can play.

Each of us and all of us need a role with a vision. If we don't or can't see what God is 'pouring out', we might cease to exist or as prophets say, 'perish.' And that, to say the least, would be a great loss and shame. So like the hymn says,

*Be now my vision, O God of my heart,
Nothing surpasses the love you impart;
You my best thought, by day or by night,
Waking or sleeping, your presence my light! (NCH 451)*

At this I must leave you to follow my vision, one I pray is from God like I pray you'll have too. THANK YOU AGAIN for your love and support. Please support your next pastor as they offer their guidance. I won't interfere, but of course I will pray that your visions, together, will build up this church. May your 'community of experience' have the insight to grow! --Rev. Robert

A Report from the Reopening Committee

We are all anxious to come back to church safely. Key word here is “safely.”

On July 21 (via Zoom), a subcommittee from the Church Council as well as Juanita Edington (staff member and also editor of the weekly Vimeos) and Barb Lottmann (church member with a nursing background) met to discuss: “When will we reopen?”

We have no set date. Our most intelligent guess for the earliest possible date would be the beginning of October.

Our reasons:

- Covid numbers are not improving and it is not prudent to gather yet in person.
- The Vimeo situation and Zoom meetings are working well.
- There is no need to reinvent a format before our interim pastor arrives (late September, early October).

Included in our thinking were these ideas:

- The interim may have procedures implemented at his/her previous assignment that would be logical for our congregation as well.
- Chris Braunschweig will reopen Gingerbread on September 1st with a rigorous plan for avoiding Covid 19 with her staff and students, and we can learn from her protocols.
- In the meantime we will be studying how other churches are returning to a service in the sanctuary.
- We also then will have time to study what materials, cost, and distribution of PPE will be involved (stands for hand sanitizer, plastic shielding in front of the pulpit, etc.).

Thank you for your patience! If you have concerns you would like us to address, please contact Tom Rusch at thomasdrusch@gmail.com or 920-988-5235.

Sunday School

We have been continuing our ZOOM Sunday School at 10:30am on Sunday. The group has been working our way through snacks. We talked about popcorn and how a small seed can make something bigger and useful and yummy! God can do big things with something small.

We also talked about pretzels and how Jesus wants us to be the salt and light in the world. We sure do get hungry during our meetings. We always end with a scavenger hunt...that is the favorite activity with these kiddos. Feel free to join us

anytime!

Youth Group

We have been continuing with our ZOOM meetings every Sunday morning and Wednesday evening. Sometimes we just chat and play games, and other times we discuss the lesson we are working through. We will be starting a new lesson in June called: "Surf's Up".

We will be learning to chill with the Beatitudes, Dude. Every lesson will walk us through the Beatitudes. I am looking forward to some fun summer activities, online, to teach us!

Virtual Vacation Bible School in August "GOD'S GLOBAL KIDS" August 10-22nd

I am very excited to announce this summer's VBS.

The program is called God's Global Kids. We will meet a diverse group of people from around the world and celebrate their uniqueness as we focus on themes such as "caring for the environment", "human rights", and "identity/self-awareness". I have designed it to be a VBS for everyone! There will be activities, snacks, videos and songs.

Did I mention this is entirely virtual? It will be simple to use and a "work at your own pace" project. The program runs Monday, August 10th through Saturday, August 22nd. Families can do the projects/snacks/videos posted on YouTube.

In addition we will meet via ZOOM on August 11, 13, 16, 18 and 20 at 6:30pm to gather as a group. This is not required, but we will dig deeper into what you learned working on your own. We will do a little "wrap up" service for the entire congregation to see on August 23rd. Please contact me with any questions. Click here to sign up.

Please let me know if you are willing to provide a Musical Offering as we continue our worship on-line.

You can record from a smart phone or computer, which are the easiest ways, but there are several other options. Let me know if you want to sing or play, but don't know how to get the video to me. Technology shouldn't stand in the way of you sharing your musical gifts.

Thank you goes to those who provided musical offerings during the month of July-Bill Edington (in June, but missed in last month's report), Susie Krueger, Jennie Ortega, and myself.

"By Gracious Faith" was sung during the July 26th service. The hymn tune: BONHOEFFER, was written by Herbert G. Hobbs and harmonized by Jan Helmut Wubenna both in 1976. The text is based on the poem, "New Year 1945," written by Dietrich Bonhoeffer, theologian, professor, and leader of the German Opposition, while imprisoned by the Gestapo in Berlin. Four months later, Bonhoeffer was executed by special order of Himmler.

New Century Hymnal, 25th anniversary!

Currently, our primary source of hymns is the New Century Hymnal, which is celebrating its 25th anniversary! There was an enlightening article about the journey of developing the hymnal and some of the things that have evolved over the 25 years of its existence. I have the [link*](#) to the article below, but I want to highlight a couple of points.

The developers of the hymnal consciously worked to be inclusive regarding gender, race, and to lessen the emphasis on militaristic/monarchal language.

"Through historical research, **New Century** was even able to eliminate masculine language that wasn't in original texts but that had been added over time. One example, Rev. Thomas Dipko said, is the hymn "Of the Parent's Heart Begotten," which correctly translates the ancient Latin. All other modern hymnals use "Father's" instead of 'Parent's.'"

The hymnal was very controversial in the early years, and 25 years later complaints are still received (although far less controversial, and fewer in number than in the beginning). Interestingly, several other denominations have gone on similar journeys to change words to be more inclusive in this span of time.

The **New Century Hymnal** is not perfect, so we have supplements such as the Sing! Prayer, and Praise. The UCC continues to encourage contemporary writers of hymns and praise music in their mission of keeping the music of the church speaking to all people and we find some of those writers in the Convergence Music Project with writers such as Christopher Grundy, Richard Bruxvoort Colligan, and Wisconsin's own Bryan Sirchio.

Finally, here is the link to the Eric Whitacre Virtual Choir piece, *Sing Gently*, that premiered July 19th. This is the virtual choir with 17,562 singers that I have mentioned before, and that I was a part of. The string quartet version accompanies the display of the names of the participants and is quite lovely as well. <https://youtu.be/InULYfJHK10>

From Mission/Outreach Board:
STAMP OUT HUNGER FOOD DRIVE

The nation's largest food drive re-emerges with a whole new look. During this time of Covid19 you might be wondering what will be happening in the future for the Food Pantry. Originally the annual Postal Food Drive normally held the second

Saturday in May was postponed to either August or September. With no immediate end in sight for this pandemic, the National Association of Letter Carriers has developed a new plan to address the problem of hunger.

All the nation's food pantries, as well as ours here in Watertown continue to be willing to work with the [National Association of Letter Carriers \(NALC\)](#). The result is a "virtual" food drive created to fit the current circumstances facing us all. A website has been created for this express purpose.

It's simple to do.

- ** Log onto nalc.org/food
- ** Scroll down and select "Wisconsin" from the drop-down box
- ** Scroll down and select "Watertown Food Pantry"
- ** You will be taken directly to the Watertown Food Pantry website where you can make your on-line donation.

Every dollar raised will go directly to our food pantry so we can purchase food for the hungry. By selecting the Watertown Food Pantry as the recipient of your donation, you are assured that all food purchased will be for our food pantry to help residents in the City of Watertown and surrounding rural area residing in the Watertown School District.

This isn't the normal food drive; but these aren't normal times. The one good thing rising from this approach is that rather than a one-day event, donations will continue as needed.

Thank you, Dawn at

First Congregational United Church of Christ
Watertown, WI

July 30, 2020

Dear Church members and friends,

We are in the middle of crazy times. I am proud to be a member of the Church Council as we determine what we can do (and can't do) during the pandemic. Staff members have reinvented themselves to continue worship and fellowship and, at the same time, keep us safe. *At this point we can only guess what the future will hold.*

You can imagine our financial status needs to be addressed. And even though we cannot pass the offering basket every Sunday, many have continued to contribute as they had pledged.

The church council has voted to continue to pay staff members for their work during this time. We have taken out a PPP (Payment Protection Program) loan from the government to help pay these salaries. It is unknown what percentage of the loan will have to be repaid.

Looking at the Treasurer's Report from the end of June, our current deficit is almost \$25,000.

During the summer we are usually behind in income for the budget and tend to make up for it at the end of the year. To put things in perspective, we are now about \$14,000 further behind last year's income at the end of June 2019.

So, in general, the news is definitely not good but not terrible. Ultimately, this letter is a plea that you:

- Please continue to make your weekly/monthly offering if you are doing so.
- Please consider how you can better financially support the church at this time.

As the numbers of Covid 19 cases and openings and closings and masks or no masks keep changing, please honor your pledge and help keep our financial situation at the Church stable. This is something we can control.

With thanks,
